Dear Mr. Spreng:

The U.S. Department of Energy Rocky Flats Field Office received your letter dated December 14, 1998, regarding approval of the final sampling and analysis plan (SAP) for individual hazardous substance site (IHSS) 118.1. In your letter, you requested that we inform your agency and the Environmental Protection Agency as to the implementation schedule for the sampling proposed in the SAP.

Enclosed please find the subject schedule. We will begin well mobilization and installation the week of January 11, 1999, and continue for three to four weeks. Your agencies are welcomed to visit the field site at any time.

Sincerely,

Norma I. Castaneda
Environmental Restoration Projects Liaison
